SYDNEY DREAMBOATS - MAKING YOUR BOATING DREAMS A REALITY

The Sydney Dreamboats team comprise of professional and passionate mariners with considerable experience in commercial and recreational boating. Dreamboats was born following the recognition that despite the proliferation and growing popularity of boat share arrangements for large luxury vessels, there was no one catering for smaller trailerable vessels, despite the fact that small vessels comprise 80% of all boat trips on Sydney Harbour. Their ease of use and affordability to run have always assured their popularity.
